ADDITIONAL EQUIPMENT HIRE

For additional equipment please enquire.

PRICING

Flexible pricing available to suit both short-form and long-form productions. Offered as either WET or DRY hire. Additional charges apply for fuel and mileage. Please contact us below for enquiries and availability.

INSURANCE

All equipment hired from us must be covered by your own insurance. Cover must be active before the first day of hire and remain in place for the full duration of the booking, including preparation, transport, shoot, and pack-down periods. The insured amount must meet or exceed the full replacement value of the equipment as outlined in your confirmed quote. We will require sight of valid "hired-in" technical equipment insurance prior to releasing any gear.
